GAME OR NO GAME? THAT IS THE QUESTION

Is there a ball game in Ogden today between Dad Gimilias' Lobsiers and the No. 2 White Sox? Will there be a game here tomorrow between Salt Lake and the White Sox?

From present indications the prospects are not very good. The weather looks decidedly bad for the games, but the fans are hoping the sun will shine brightly, dry up the field and make the contest possible. The Sox are in Ogden, and if the game is played will leave immediately after for Salt Lake to fill their engagement with Farnsworth's crew tomorrow. The proposed it up for the Ogden game is as follows:

GOOD AMATEUR BOUTS.

Four ratiling good amateur bouts were witnessed by a large crowd at the St. Regis club last night. In one of the bouts, St. Clair, the clever featherweight, finished his opponent. Kid Hammer, in the third round. A draw was the decision in the bout between Swede Murphy and Irish Olsen, Joe Clark won over Kid Berry, and Jack Flynn defeated Erne Wright.

WRESTLING CHALLENGE.

I have used S.S.S.and found it to be an excellent blood purifier and tonic. My blood was weak and impure, and as a result my system becsme very much run-down and debilitated. I lost twenty or more pounds in weight, had no appetite and was in bad shape. Seeing 3.S.S. advertised I began its use, and am well pleased with the result after using it for some little while. From 139 pounds to 165 is pretty good evidence of merit on the part of S.S.S., and as to my appetite, it is superb. My system and general health have been wonderfully built up, and I do not hesitate to give S.S.S. the credit for it.

Last Spring I was greatly rundown in health and had lost screat deal of flesh. Being a horse-shoer, the work is hard and the hours are long, which pulled me down and put mein bad shape. I asked my druggist what I should use and he advised S.S. I bought a bottle and before I finished it I noticed a charge for the better. I took a good course and my health was restored to its normal condition. The remedy gave me rich pure blood, a fine appetite, and I regained the flesh I had lost. It is undoubtedly a great blood purifier and tonic and has my hearty endorsement GEO. W. McKRETH.

Last year I was greatly rundown in health, and feeling that I needed a blood purifier and tonic I began the use of S.S.S., and took asveral bottles with the result that it put my blood in good condition, gave me increased strength and energy, improved my appetite and discession, and made me feel like a different man, his a blood purifier and tonic S.S.S. is all right.

HOW HE STARTED.

It was in 1907 Ketchel first began to attract attention, when, after boxing a 20-round draw with Joe Thomas on the coast, he knocked him out in 32 rounds in another mill. Early last year Ketchel pur Mike ("Twin") Sullivan to sleep in one round at "Frisco, and followed it up by a knockeut of Jack ("Twin") Sullivan in the twentieth round several months later. Last June he defeated Papke on points in a 10-round bout in Milwaukee, and in July he knocked Huge Kelly of Chicago out in three grueiling rounds. In August he put Thomas to sleep again in two rounds and was halled as a world beater. Then he began to notice what a gay world this is and started out to hit the high places. He had such a good time that when he faced Papke again in September in Vernon, Cal. he was in no shape to fight, so Papke knocked him cold in 12 rounds.

fight, so Papke knocked him cold in 12 rounds.

The result of this mill was a severe shock to the puglifistic world, for a brilliant future had been predicted for Ketchel. But another match with Papke was arranged, to take place at Colma in November, and Ketchel, this time got into the ring in splendid trim. Papke put up a game fight, but Ketchel, the master, knocked him senselos in the eleventh round and regalied the middleweight title. Papke, by the way, received such a beating that he has been of little account since his downfall. Ketchel, 23 years old, is growing rapidly. He weighed 175 pounds when he began training for his last mill with apke and scaled at 155. But he is not anxious to make that weight in future, and has declared repeatedly that he will soon enter the heavyweight division.

All dangerous points along the course are to be fenced in with heavy wire fencing, and no stones will be left to safeguard the limbs of both drivers and spectators. At many points along the course, the topography of the country is such as to permit anlookers to see long stretches easily without the necessity of crowding down upon the course. In fact, a better view may be secured from the rising ground at a little distance from the course.

TAFT SAYS TO GOLFERS "BEAT ME IF YOU CAN"

Washington, March 2.—The courtesy of permitting the monarch to win in all sorts of games in which he may become a contestant does not find its counterpart in Republican America where the chief magistrate, Fresident Taft, indulges in any game.

All Taft is a game on the golf links at Chevy-Chase has made it well known that he wishes every one who enters into a game with him to do his level best to beat him and he has even lessed backward in his successor to stand straight with respect to the rules.

In fact, this suggestion has never been necessary to any one who plays golf with the president as the general belief prevails that were any one discovered in deliberately given him a same as a delicate means of fattery they would not again have an apportantly to content on the green with him.
